

Cimco, Inc. is a licensed Arkansas General Contractor based in the central Arkansas area. Cimco was established in 1975 and has been serving clients for over 37 years. Cimco, Inc. can provide everything from site preparation, concrete slab and foundation work and metal buildings to highly technical equipment relocation and installation. We can be a single source for turnkey projects. Cimco, Inc. has a dependable fleet of equipment and a skilled workforce to self perform work and also a strong base of qualified specialty subcontractors to handle any of your needs. Cimco, Inc. can price your project as a hard bid, a not to exceed price or a negotiated price. We can perform your project on a time and material basis that is competitive with any comparative contractor.
